NEW RENAULT TRIBER Express

NEW RENAULT TRIBER Express

Stylish allure highlighted by the new Renault identity and best-in-class versatility. With an innovative fusion of assertive design, spacious and ultra-modular interior, it accommodates a load area of up to 1500 litres. Equipped with multiple standard safety features, travel with peace of mind, knowing excellence ensures your serenity.

Whether city or countryside, its robust style is your reliable companion.

style with functionality

Tailored for business, the Triber Express LCV Van combines aesthetics and functionality at the best quality and price ratio on the market. The Triber Express LCV is made for everyday life both on the road and in the city, thanks to the useful technology on board for those facing a hard day's work, the Triber Express LCV is capable and versatile.

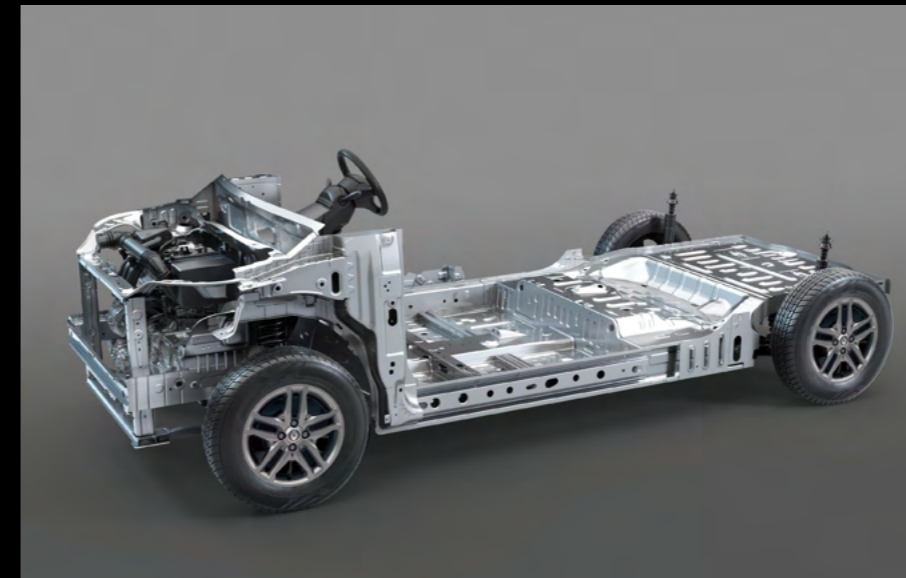

The Triber Express LCV is sure to catch attention with its striking projector headlamps and stylish roof rails. The 3-part ultra-modern triple edge chrome front grille and stylish Flex Wheels further add to its presence. A ground clearance of 182 mm and SUV skid plates lend an impressive stance while offering protection on rough roads.

Triber Express LCV robust and flexible

The Tribier Express LCV combines the characteristics of a commercial vehicle with a hatchback, which underlines its robustness and modernity. The Tribier Express LCV turns every job into child's play, adapting to space load requirement to always offer maximum comfort. Optimal accessibility to the load area thanks to the rear side doors, which simplify the loading of bulky objects.

The Tribier Express LCV is 100% Renault, simple, economical and robust, and includes a 5 year/150 000km warranty. A reliable partner in everyday life, where functionality and ergonomics work together and create an effective solution.

practical and compact

Triber Express LCV is a versatile workhorse with a load area of 1 500 litres and a 542kg payload. The elegant and secure division between driver's seat and cargo compartment - completely in the style of the Renault Tribier, a user-friendly interior.

The use of space on board is maximized thanks to a generous load area which contributes to the functional and practical character of Tribier Express LCV.

modern and well equipped interior

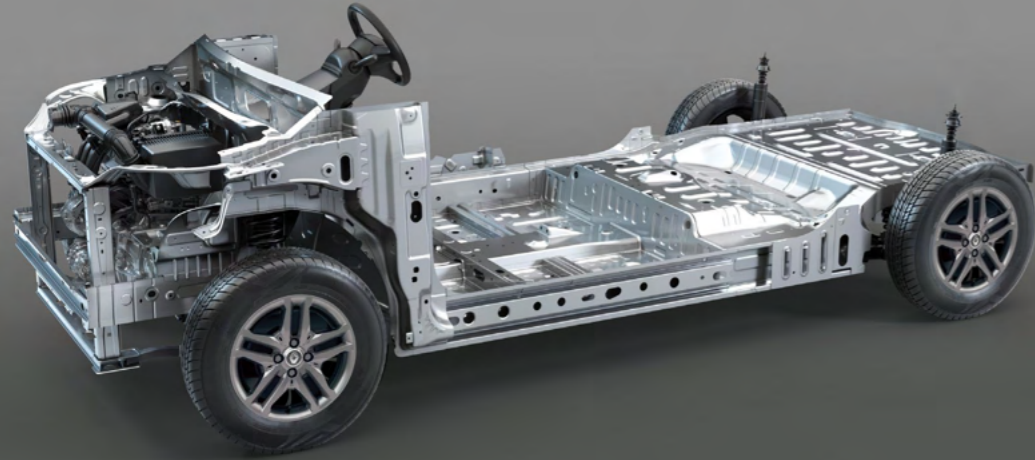

Experience an all-new modern interior inside the Renault Triber Express. The dual tone interior with harmonious trim exudes warmth while the centre fascia spells sophistication. The super spacious Triber Express features a LED instrument cluster and two independent controls for air conditioning, and comes standard with front electric windows and is equipped with an 8-inch display link floating touchscreen and includes a USB port.

versatile and functional

The Renault Triber Express LCV is future-ready. It features a fully digital instrument cluster with LED illumination and sportier graphics. The digital tachometer and gear shift indicator assist in driving at an optimum speed for better fuel efficiency, while the onboard computer keeps the driver informed about relevant driving-related info-like fuel consumption, average speed and distance to empty.

The ABS system, in combination with Electronic Brake Distribution. (EBD) works to ensure maximum effectiveness of the braking and vehicle stability. There are front driver and passenger airbags. The rear-view camera helps you park even in the tightest spots.

new unique platform

The Renault Tribber Express LCV is designed on a unique and latest generation modular platform. This offers unbeatable roominess and flexibility. With an optimised engine compartment, it helps maximise space in the passenger compartment. The new platform also provides a superior driving experience and unmatched comfort.

new energy engine

ENERGY

The Renault Tribber offers a perfect balance of performance and fuel economy. Its new generation hi-tech 1.0-litre 3-cylinder petrol Energy Engine generates 52kW with 96Nm torque. Further equipped with modern technology like the dual VVT system that delivers maximum response at all revs, it ensures optimum acceleration. This along with good fuel efficiency and low maintenance cost makes the engine ideal for South Africa.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Renault Care

we strive to provide you with the highest level of after sales service so you can continue to enjoy your Renault ownership journey

5 Year / 150 000km Warranty peace-of-mind comes standard

The Renault Warranty comes standard with every new vehicle, covering the costs of repair of any unexpected electronic or mechanical malfunctions, for a period of up to 5 years or 150 000km, whichever comes first.

Refer to the warranty booklet

Service / Maintenance Plans standard or tailor-made options are available to suit your needs

A Service Plan is a cost-effective way to cover your Renault's scheduled service programme, giving you full peace of mind for the duration of the Service Plan.

Purchase or upgrade your existing Service Plan to a comprehensive Maintenance Plan that not only covers the cost of your Renault scheduled service programme, but also covers the replacement, maintenance or repair of specific wear-and-tear items*.

The key benefits of a Renault Service Plan or Comprehensive Maintenance Plan are:

- 1. added value**
Service and Maintenance Plans are costed at preferential rates as well as offering protection from inflationary increases for the duration of the plan.
- 2. full peace of mind**
Only genuine parts are used.
- 3. Renault expertise**
Renault qualified technical personnel will attend to your vehicle.
- 4. protect your warranty**
All workmanship and parts warranted by Renault.
- 5. cost of wear & tear items covered** (Maintenance Plan only)
Items covered: Clutch, exhaust, globes & fuses, shock absorbers, drive belts, battery, wiper blades, brakes.

*T's & C's Apply. Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, cam belt, etc.

Parts availability

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing. We strive to ensure an excellent level of parts availability at our Renault Dealerships.

Book a service online

Because your convenience matters to us, you can now book your service online at a dealer of your choice in a few easy steps. You could be eligible to qualify for vouchers and other rewards, by booking your service through our online portal, to make your experience that much more rewarding.
